| Search Phrase | "Keywords" <meta> Tag | "Description" <meta> Tag | Page Copy | "alt" Attributes |
|--------------------|--------------------------|-----------------------------|--------------|---------------------|
| <u>hit records</u> | ✓ | ✓ | ✓ | ✓ |
| <u>music</u> | ✓ | ✓ | ✓ | ✓ |
| <u>rap</u> | ✓ | ✓ | ✓ | ✓ |

Report Summary for: rap

| | |
|---------------|----------------------------------|
| ✓ <title> Tag | Warning: No search phrase found. |
|---------------|----------------------------------|

The entered search phrase rap was not found in your Web site's <title> tag.

In order to achieve the best search engine ranking results, a search phrase, ideally, should appear 1-2 times in a Web site's <title> tag.

[More about <title> tags.](#)

| | |
|-----------------------|-----------------------|
| ✓ Keywords <meta> Tag | No Problems Detected. |
|-----------------------|-----------------------|

Search phrase found 3 times in "keywords" <meta> tag.

[More about the "keywords" <meta> tag.](#)

| | |
|--------------------------|----------------------------------|
| ✓ Description <meta> Tag | Warning: No search phrase found. |
|--------------------------|----------------------------------|

The entered search phrase rap was not found in your Web site's description <meta> tag. Ideally, a search phrase should appear 2-4 times in a description <meta> tag. To attain the best possible search engine ranking for this site, add the search phrase to the description <meta> tag and run the Site Analysis again, before submitting the site to Internet search engines.
